**MUNOX<sup>2</sup>**  
13th Model United Nations Of Xiamen

## Welcome Message from the Secretaries-General

Dear Delegates,

Welcome! The most anticipated Model United Nations of Xiamen conference is back! We, the Secretaries-General of the MUNOX 2022, are delighted to officially announce the event this December 2 to 4, 2022, at the Hyatt Regency Hotel Xiamen.

In 2009 Manila Xiamen International School established the first MUNOX conference, and since then, acknowledged as one of the longest-running conferences in Fujian province and all over China. Moreover, this year marks the 13th anniversary of the Model United Nations of Xiamen.

Though the previous years had been challenging, the organization still focuses on promoting global awareness and developing various participants' skills. Thus, MUNOX 2022 will push forward toward its goals.

It is indeed an honor and privilege to be representing MUNOX this year. We are thankful to host this event here in the captivating city of Xiamen. As previous delegates, Dais members, and USGS of MUNOX, the previous conferences we joined showed us the realities and various facets of societies and the world. MUNOX conferences are memorable and meaningful because they provide avenues to meet new people, discuss current issues, and develop public speaking skills through collaborations.

In this year's MUNOX, we will be offering more committees to encourage more aspiring delegates to join this endeavor. The committees and topics will be announced together with the Dais members early next month. We assure our participants that we will follow all health protocols to ensure the safety and wellness of everyone throughout the 3-day event.

On behalf of the Manila Xiamen International School, we, the Secretaries-General of MUNOX 2022, would like to invite all enthusiastic learners to join the 13<sup>th</sup> Model United Nations of Xiamen 2022.

We hope to see you all this December in Xiamen!

MUNOX 2  
13th Model United Nations Of Xiamen

Sincerely yours,

Kevin Yeo, Alex Wong, and Attila Yoon  
Secretaries-General of MUNOX 2022

## **Model United Nations of Xiamen 2022**

### **Model United Nations**

Model United Nations is an educational simulation of the United Nations. Students who participate at a MUN conference take on the role of delegates representing their assigned UN country. Together, delegates from all over the world engage and investigate current international issues and work towards a possible solution. MUN aims to transform participants into future world leaders, developing their critical thinking, communication, and research skills. Each delegate is assigned to a committee with a different debate topic and may exercise different rules of procedure. Well-trained Dais members are assigned to each committee, regulating the flow of debate to ensure quality discussions from all participants.

### **What is MUNOX?**

The Model United Nations of Xiamen (MUNOX) was established in 2009 by the Manila Xiamen International School. Until the current year, MUNOX has been hosted annually in Xiamen, China. For the past 12 years, MUNOX has strived to nurture global awareness and develop students into critical thinkers. Being one of the longest-running conferences in China, this year's conference marks the 13<sup>th</sup> anniversary of MUNOX. In addition, MUNOX has been a platform for students to make new friends and learn for several years. MUNOX 2022 will continue to provide a space for passionate learners to debate global issues worldwide.

### **Why MUNOX?**

MUNOX has continuously pursued excellence for the past 12 years in Xiamen. Like previous years, MUNOX 2022 will be hosted in Hyatt Regency Hotel Xiamen, a 5-star hotel in Xiamen. All delegates participating in this conference will be awarded a participation certificate and ASDAN China certification, which may serve as an additional credential for students' college portfolios. In addition, students have been given the opportunity to lead as Directors and Assistant Directors at the conference. As delegates, they will represent various nations, and develop their skills in negotiating, debating, writing, and presenting. Special awards will also be given to delegates that have performed excellence in their respective committees. MUNOX Awards include Best Position Paper Award, Honorable Mention Awards, Outstanding Delegate Award, and the Best Delegate Award. The Best Delegate Award will also receive UCAS points, which will be helpful for university applications.

## Conference Venue

### Hyatt Regency Hotel Xiamen

Hyatt Regency Hotel Xiamen is part of a new mixed-use commercial development that combines high-end offices, luxury shopping, and various dining and entertainment experiences. It is conveniently located in Wuyuanwan business circle of Huli District in Xiamen and caters to both business and leisure guests. It is labeled to be a grand five-star accommodation, along with One Park Shopping Center, where all participants can find satisfaction during their session breaks, lunch and dinner breaks.

The Hyatt Regency Hotel Xiamen is the ideal location for our conference to be held by holding numerous meeting rooms that can accommodate large groups of people. The hotel is located away from the hustle and noise so that all visitors can enjoy peace and comfort, surrounded by the stunning beauty of Wuyuan Bay, which is known as one of Xiamen's most beautiful bays.
